# KAS Rollout Planning through Teams & PLCs

Creating a system of implementation

# The KAS Focus Team Purpose

- Engage in learning around the Kentucky Academic Standards and lead others in this learning
- Operate as a PLC with each member an equal voice
- Help teachers and principals build capacity in highly effective instruction and standards implementation
- Lead the district and schools in a systematic professional learning plan used to build strong curricula based on the KAS

# KAS Focus Team Profile

## District & School Teams

- Models of growth mindset
- Understand the importance of engaging in learning around KAS and instruction.
- Able to influence & inspire others
- Planners, organizers and leaders of professional learning

# District Focus Teams

- Establish a District Focus Team
- Establish district wide timelines
- Determine district process for developing a shared understanding of the new KAS
- Align district assessments
- Determine district process for aligning grade-level programs with new standards
- Analyze the change in standards progression

# School Focus Team

- Establish a school team
- Determine school timeline
- Develop a shared understanding of the new KY Academic Standards
- Align grade-level standards with school programs/curriculum/resources
- Align assignments & assessments to grade-level standards
- Analyze standards progression snapshots

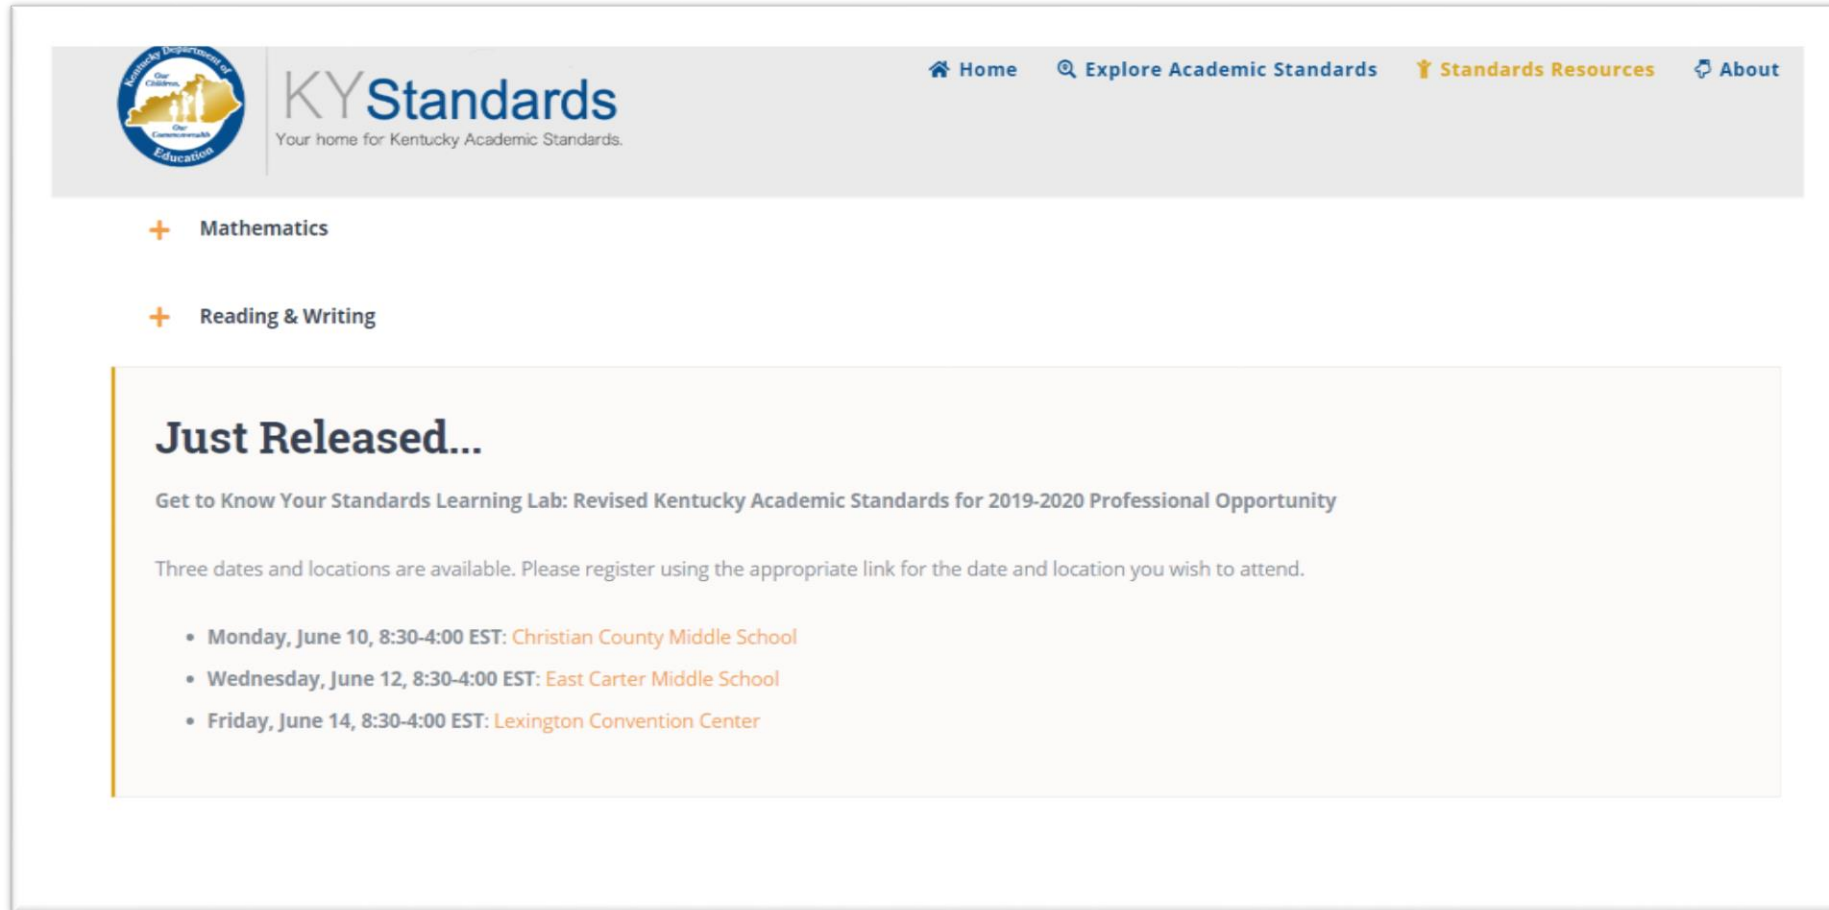

# 5 Things to Know Before You Go

1. New KY Academic Standards are adopted and classroom implementation begins 2019-2020
2. Focus Teams & Building Timelines
3. KYStandards.org
4. June Conference Registration
5. Next Week: PL Modules for Reading & Writing

# June Conference Registration at KYStandards.org (<https://kystandards.org/standards-resources/>)

- June 10 Christian County Middle School [link](#)
- June 12 East Carter Middle School [link](#)
- June 14 Lexington Convention Center [link](#)

The screenshot shows the KYStandards.org website. The header includes the Kentucky Department of Education logo, the text 'KYStandards Your home for Kentucky Academic Standards.', and navigation links for Home, Explore Academic Standards, Standards Resources, and About. Below the header, there are expandable sections for Mathematics and Reading & Writing. The main content area features a 'Just Released...' section with the title 'Get to Know Your Standards Learning Lab: Revised Kentucky Academic Standards for 2019-2020 Professional Opportunity'. A paragraph states that three dates and locations are available and provides instructions to register using the appropriate link. A bulleted list lists the dates and locations: Monday, June 10, 8:30-4:00 EST at Christian County Middle School; Wednesday, June 12, 8:30-4:00 EST at East Carter Middle School; and Friday, June 14, 8:30-4:00 EST at Lexington Convention Center.
